

6th Annual Irish Film Festival Ottawa

April 9 – 13, 2021

SPONSORSHIP/PARTNERSHIP OPPORTUNITIES

Irish Film Festival Ottawa (IFFO) celebrates Irish culture, language, humor, and history through the modern medium of film by promoting Irish Cinema and filmmakers to audiences in Ottawa and beyond. This five-day festival offers an exclusive opportunity for sponsors to promote their businesses while supporting Irish culture in Canada

This year IFFO is going virtual, making our films and conversations available to our community at times when gathering in person is not possible.

We would like to offer you an exciting opportunity to be a part of this year's festival which will screen films from April 9th to 13th, 2021.

IFFO engages a large following in the National Capital Region from the Irish diaspora as well as movie fans, aspiring filmmakers, students of cinema and media studies, and individuals interested in exploring Irish stories and documentaries through the medium of film.

For a successful event of this kind sponsorship is essential. Over the years, IFFO has built successful corporate partnerships with Canadian and International companies alike. From direct financial support to providing goods and services, there are many ways to make a tax-deductible contribution while providing your brand with significant marketing exposure. We gladly accept donations of in-kind trade and will recognize them for their equivalent retail value at the time of the festival. We are also receptive to tailoring a sponsorship package based on a proposal designed to meet your marketing objectives.

As a non-profit organization, IFFO would not exist without the unwavering community support of businesses, organizations, and individuals like yourself. We look forward to engaging with our new and returning partners for Irish Film Festival Ottawa, 2021 virtual edition.

The sponsorship matrix below summarizes the opportunities available and will assist in determining the level of support that best matches your organization's interests and objectives. To discuss in further detail, or see how a special package may be tailored to meet your needs, please contact us at iffo.partnerships@gmail.com with "Sponsorship" in your subject heading.
